

# *EVERYTHING YOU ALWAYS WANTED TO KNOW ABOUT GIFTED ASSESSMENT*

## **NATIONAL SYMPOSIUM ON ASSESSING GIFTED LEARNERS FRIDAY, MARCH 27, 2009, IN VAN NUYS, CA**

This National Symposium will arm you with the most up-to-date information about assessment of your children from the leading experts in the field.

*And to enrich what you learned during the symposium, this special evening parent forum is FREE when you register for the symposium.*

### *Panelists Include:*

Kathi Kearney	Bobbie Gilman
Betty Maxwell	Helen Dudeney
Linda Leviton	Anne Beneventi
Linda Silverman	

Hear and speak to these world-renown advocates of the gifted to learn how to help your gifted child. During the *day*, you will learn why assessment is essential to advocacy, what different tests measure, how scores on different tests compare, which subtest scores are the most meaningful, when to derive the General Ability Index (GAI), when to use the extended norms, how a visual-spatial learning orientation may affect scores, the research that can support your advocacy, and the effectiveness of qualitative assessment. Learn what to request of your child's examiner and how to interpret test scores.

In the *evening*, you will have the opportunity to ask the leading parent advocates questions on all aspects of giftedness. This is an unheard-of opportunity to meet and speak to all of these experts in one setting. Don't miss it!
